PDD-SCC-SERIES

- 80# Coated Two Sides: Most popular choice! A light coating that is the perfect protection on those humid or wet days. That light coating protects without sacrificing any pencil writability.
- Matte Smooth Paper: This paper has a smooth finish with excellent writability.
- Matte Felt Paper: This is a textured and stiff paper that is great for folding with an upscale feel.
- 100# Linen Stock Paper: A heavy weight durable paper, this is a timeless choice.
- C1S stock: Coated on the front and back side only on this card. Inside of card has no coating at all. Easy to write on. Gives the best of coating on one side and easy to write on the other.
